By Taking Part in a Club Ride you are agreeing to the following conditions:

<http://calderdalectc.org.uk/rides/conditions/>

1. You are a member of Cycling UK. Temporary membership can be obtained by contacting rides@calderdalectc.org.uk .
2. You have read and understood the latest Government and Cycling UK Advice and Guidelines re Covid-19, and agree to comply with them. See :
<https://www.gov.uk/government/publications/coronavirus-outbreak-faqs-what-you-can-and-cant-do>
<https://www.cyclinguk.org/article/coronavirus-updated-guidance-individual-cyclists-and-cycling-groups>
3. You do not join a ride if you or anyone in your bubble has any Covid-19 symptoms, or if you have been contacted by the NHS Track and Trace service.
4. **While it is the responsibility of the ride organisers and leaders to ensure that it's possible to socially distance on a given ride (such as choice of meeting place and route), it is the responsibility of everyone to respect social distancing and hygiene guidelines whilst riding, both on and off the bike.**
5. You will respect the safety of riders who may be more risk-averse than you.
6. Remember that you are representing Calderdale CTC while out on a club ride.

When organising a ride via the Club Facebook Page:

1. Make sure you are fully conversant with the latest Government and Cycling UK Advice and Guidelines, and do your best to comply. See:
 - a. <https://www.gov.uk/government/publications/coronavirus-outbreak-faqs-what-you-can-and-cant-do>
 - b. <https://www.cyclinguk.org/article/coronavirus-updated-guidance-individual-cyclists-and-cycling-groups>
2. Mention that all riders must have read the conditions in the paragraph above (<http://calderdalectc.org.uk/rides/conditions/>)
3. Make it clear whether it is a:
 - a. Ad-Hoc Social Ride (anyone can organise; each rider takes responsibility for themselves. Cycling UK members are covered by 3rd Party Insurance)
 - b. Led Ride (for named ride leaders only – you are responsible for the welfare of the riders, and are covered by Cycling UK public liability insurance)
4. Check that all riders are Cycling UK members, and record their names. This will ensure they are covered by Third Party insurance, and enable us to track and trace riders in the event of one of them subsequently developing symptoms.
5. Ensure that it is possible to socially distance on a given ride (such as choice of meeting place and route)
6. Organise the ride to comply with the current restriction on group size. (A simple way to do this is to publicise the ride as a Facebook Event, stipulate maximum group size, and take the first people to book onto the ride.)
